Sign up now for Brush-a-mania 2015

Brush-a-mania is an Oral Health Month program designed to promote oral health and awareness among young children. Each year, dentists and Rotarians visit participating schools and hold an assembly during the month of April. The children are provided with an interactive, entertaining presentation in proper dental care. Each assembly concludes with a Brush-off, where all participants brush their teeth simultaneously for 3 minutes. (Optional)

Each student will receive a Colgate toothbrush and toothpaste, as well as, a Brush-a-mania sticker. When the students complete the online program, they will be able to print out a Brush-a-mania Club Member certificate. His or her name will be entered into a draw to win a gaming entertainment unit and tablets.

Since 2001, our program, Brush-a-mania, has reached over 400,000 students. **We would like to invite your school to participate this year.** School presentations may be held on any day in April. There is no cost for all City of Toronto schools. The Rotary Club of Toronto - Don Mills has committed to fundraise to support these schools.

New for 2015:

Any student in Canada may participate in the online tracking of their brushes to be entered into a draw for prizes. Even if your school cannot accommodate a school presentation, please inform your parents to sign up online.

Thank you so much for considering supporting this community event. To register, please visit our website www.brushamania.ca. Schools will be accepted on a first-come, first served basis.

For more information or to register, please contact my co-chair Jennifer Boyd at jennifer@brushamania.ca.

Sincerely yours for better dental health,
