SCHOOL INSTRUCTIONS

On behalf of the Scarborough Rotary Passport Club, I am pleased to extend a sincere thank you for your participation in the 20th annual Brush-a-mania program to promote good oral and overall health.

We are very proud to announce that 100,000 students in 300 schools are participating in this year’s program – and truly enjoying learning about good oral hygiene.

Please publish the article on the Brush-a-mania program in your next school newsletter to inform your parents about Brush-a-mania and Oral Health Month. The article may be downloaded from our website: www.brushamania.ca/school_info.html

You should receive your supplies the week of March 23, 2019. Please check them for completeness. The box number and the total number of boxes is labelled on each box. Box #1 should have a Packing Slip indicating what was shipped to your school. If there are any errors, please contact Jennifer Boyd at jennifer@brushamania.ca.

Please display the Brush-a-mania posters throughout your school during the month of April to promote oral health. Place a class chart in each classroom or just outside each classroom in the corridor to encourage the students to brush their teeth. The students may update their own progress if you wish.

Please distribute the Brush-a-mania instruction pamphlets, toothpaste and stickers to each student participating in the program after your presentation to take home. Distribute the toothbrushes at your assembly if you are participating in the Brush-off.

Your assigned dentist will contact you to arrange the date and time of your presentation. The names and contact information of your assigned dentist and Rotarian will be posted on our website as the positions are filled. Once you have agreed on the date and time of your presentation, please login to www.brushamania.ca to update the information.

Please feel free to invite your Parent Council Chair, School Board Trustee and any other guests to your assembly.

On the day of your assembly, please set up the following in your gym:

Microphone;

Audio recording to be played during Brush-off; (optional)

2 large Brush-a-mania posters at the front of gym;

“Dentist package”. (Please give your dentist a sample package of everything the students will receive to show the students: Brush-a-mania instruction pamphlet; toothbrush; toothpaste; and sticker.)

We would recommend that the toothbrushes be distributed to the students just prior to the Brush-off.

If your school is participating in the province-wide Brush-off on April 3rd, please make sure the audio recording is played at 10:20am. The Brush-off will be a dry brush, no toothpaste involved.

Your assigned dentist and Rotarian have been asked to introduce themselves at the main office before proceeding to the gym.

If you have a Rotarian assigned, they are there to assist you. The Rotarian will lead off the assembly and introduce the dentist to the students.

Please give your dentist their package when they arrive at your school.

Please help us to improve the program by returning the attached feedback form. You can email the completed form back to Jennifer Boyd at jennifer@brushamania.ca or fax a copy to 416-752-1143.

If you have any questions or require any additional supplies, please contact Jennifer Boyd at Jennifer@brushamania.ca.

Thank you for helping us promote good oral and overall health,

Raffy Chouljian, D.D.S.
