

# Sponsorship Package 2025

**Come be a part of our great community program to promote oral health and awareness among school children. With programs offered across Canada, this is a great way to get involved in the community. Together let's celebrate 25 years of outreach to elementary students!**

We are proud to announce that April 2025 will be proclaimed Oral Health Month. For over two decades, Brush-a-mania has motivated over 1,000,000 students from Junior Kindergarten to Grade 6 across Canada to brush and floss their teeth. This has been made possible by the generous support of our sponsors like you. Good oral habits, when introduced to young children, will save them substantial costs throughout their lives for dental care, missed classes and missed work due to health problems related to neglected oral hygiene. Every year, the program gets bigger and better. We want to share this opportunity with you.

As we enter our twenty-fifth year, our goal is to offer the Brush-a-mania program to 100,000 students in over 200 schools! Your support will help make this possible! We invite your company to join a list of other caring corporate citizens who are supportive of community issues like oral health care and our youth - these are tomorrow's smiles! With our Brush Tracker app, students with their parent's help, can track their brushes and flosses online. It's a fun way for kids to be motivated to pick up good oral hygiene habits now. Once the students reach 100 brushes and/or flosses, they may be entered into a draw to win a Nintendo Switch or one of fifty Android tablets.

**Our Top sponsors (PEARLY WHITE TEETH and TEETH) get our VIP treatment! Your logo will not only be placed on our brochures, posters and class charts, but also on all certificates given to those students who complete the Brush Tracker contest!**
