Dear Colleague:

April is a very special month in Canada. It is Oral Health Month! What better way to promote oral health than to have students you know participate in a fun and educational program.

Encourage the students to track their brushes for 30 days online. When the students complete the online program, they will be able to print out a Brush-a-mania certificate of achievement. His or her name may be entered into a draw to win a Nintendo Switch or one of fifty Android tablets. Any elementary student in Canada up to Grade 6 is eligible to participate.

Please distribute our Letter to Parents to the parents of elementary age students to encourage them to brush their teeth.

Thank you so much for promoting good oral health,
