April is a very special month in Canada. It is Oral Health Month. Please help us promote good oral health amongst your students by doing the following:

1. Email the attached letter to your parents after March Break;
2. Distribute Colgate toothbrushes and toothpaste to your students;
3. Encourage your students to brush every day and enter our Brush-a-mania online contest.

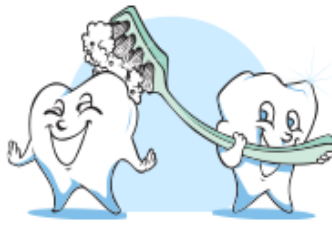

All elementary students may register and begin recording their brushes online starting April 1st. Everyone who brushes and/or flosses their teeth 100 times within any 30 day period will be emailed a Brush-a-mania certificate of achievement. His or her name will be entered into a draw to win a Nintendo Switch or one of fifty Android tablets.

**The goal is to encourage the students to develop good oral hygiene habits at an early age.**
